

Senior Subject Guide

Year 10 (Semester 1)

Core and Elective Subjects

CORE SUBJECTS

English Health, Humanities and Enterprise

Core

Students will continue to

Creative Industries Academy: Dance **The Arts**

Elective

The Creative Industries: Dance Academy is by application only and will incur a levy of \$100.00.
Prerequisites (newly enrolled students): Minimum C standard in Year 9 English, Mathematics.
Prerequisites (continuing students): As above and a minimum

Design Technologies

Economics and Business **Health, Humanities and Enterprise**

Elective

In Economics and Business, you will be introduced to the concepts of an 'economy' and explore what it means for Australia to be part of the Asia region and the global economy.

You will consider the interdependence of participants in the global economy, including the implications of decisions made by individuals, businesses, and governments. Through practical activities, you will explore what it means to be a consumer, a worker, and a producer in the market and the rights and responsibilities of each group.

You will also investigate the characteristics of successful businesses and how entrepreneurial capabilities can contribute to this success. You will learn in a practical sense what it means to be an entrepreneur by running your own business. This unique opportunity will build valuable skills such as problem solving, critical thinking, financial and digital literacy, teamwork and communication.

Economics and Business content is taught through contemporary issues, events and case studies that cover personal, local, national, regional, and global contexts.

Assessment

- Practical assessment tasks
- Multimodal presentations
- Project work.

Food Technology **Science, Technology, Engineering & Mathematics**

Elective

This is the second course in the pathway leading to Food and Nutrition (Senior). This course is based upon the further development of practical skills and knowledge in the areas of nutrition and food production. Their focus of study will be on nutritional needs and implement specific cooke1im4(o4t)]TJETQ

Health

Health, Humanities and Enterprise

Elective

Health education is a subject that would interest students who are concerned about social justice issues and who have a string commitment to community.

The subject examines health in the context of society, and the mechanisms necessary to develop and promote health for individuals, groups, communities and nations.

Vikings Sport Academy **Health, Humanities and Enterprise**

Elective

The Vikings Sport Academy is by application only and will incur a levy of \$100.00. Prerequisites (newly enrolled students): Minimum C standard in Year 9 English, Mathematics. Prerequisites (continuing students): As above and a minimum standard in Year 9 AFL/Sport Academy – Advanced.

Physical Education involves students learning in, about and through physical activity. Students participate in a series of individualised written and physical learning experiences based on the study of selected physical activities and theoretical concepts. This course develops the required literacy and physical skills students need for Senior Physical Education.

Assessment

Exam
Research report

Recreation Studies **Health, Humanities and Enterprise**

Elective

Recreation involves students learning about, planning for and participating in a variety of recreational activities. Each unit will include both a practical and theoretical component. Emphasis is placed on learning and applying appropriate participation, safety and behavioural practices within specific recreational environments.

Assessment

Research assignment
Reflection journal.
