## Student Resource Scheme (SRS)

The Queensland Government supports students' education by providing funding for:

- Instruction, e.g. teachers
- Facilities, e.g. buildings, amenities, furniture
- Administration, e.g. staffing and resources to administer the operations of the school.

Funding does not extend to individual student resources such as textbooks, computer or musical equipment for personal use, and many items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents/carers/carers.

To provide parents/carers with a cost-effective alternative to purchasing textbooks and/or resources elsewhere, Victoria Point State High School operates a voluntary student resource scheme (SRS) under Education Queensland guidelines.

The Scheme aims to provide all students with the necessary basic textbooks and associated learning materials at considerable savings to parents/carers, through the school's bulk purchasing processes.

Parents/carers have a choice of either joining the scheme OR privately purchasing all the various textbooks, novels and other materials, as well as paying for all other items included in the Scheme.

Please note:

- Photocopying costs do not include colour copies
- Personal stationery items are not provided as part of the Scheme and need to be purchased by students.
- Please refer to Stationery Lists for each subject's requirements.

Students are responsible to be prepared for learning by having all equipment and resources required for each class in every subject.

Should you decide not to join the Scheme and wish to calculate the cost please use the RESOURCES TOTAL from the following table.
