

What is a

Personalised Learning

Plan?

A Personalised Learning Plan (PLP) is used to provide information and

How will this change my child's education?

How have you determined my child needs a PLP?

Students who are identified as requiring additional support and monitoring within their classroom, or

Will this be a permanent change in my child's education?

strategies relating to adjustments for students with disabilities or learning support requirements. Why would a PLP be of benefit to my child?
